Maybe it's not fair to compare anyone else to InSci. After all, we do have some unfair advantages: InSci invented the computerized payroll/personnel industry in 1965. So we have a head start.

All of our people—every one of them—is dedicated solely to helping Payroll/Personnel professionals do their jobs more effectively and cost-efficiently. We have no other business, unlike our worthy competitor, the generalist. The fact is, we're the world's largest specialist in automated payroll/personnel systems. Our systems and services have benefited 50 Fortune 100 corporations, 45 of the 125 largest banks in the U.S., and nearly 1000 companies worldwide.

Before you invest in a payroll/personnel system, it will pay to check the InSci difference—the leadership difference. Start by sending us this coupon. Or just call Christine Hanavan at (201) 391-1600.
